Skirting board
PVC Line
8600
8610
8611

Description

PVC Line 8600, 8610 and 8611 are foam PVC, shock-resistant skirting boards and edge trims.
They are especially recommended for DIY use being so quick and easy to apply using specific adhesives (such as PP/96).
The come in a selection of colours.
PVC Line 8600, 8610 and 8611 do not contain formaldehyde (UNI EN 717-2 1996:1996).

Materials

Foam PVC compound, lead-free, self-extinguishing. Stabilised based on Ca-Zn salts.

Fixing

Fixing with PP/96 type adhesive

Remove the skirting board from the packaging.
Where present, also remove any protection (protective and/or shrink-wrapped film) added to protect the finish. Measure the length required and cut the skirting board to this length using an appropriate tool.
Place the skirting board, cut to the right length, in position and fix it to the support with a suitable adhesive (such as PP/96), making sure that the support is free of dirt and perfectly clean.
Press and hold evenly along the length of the skirting board to make sure it bonds correctly to the surface.

Care and maintenance

Care and maintenance procedures for the materials used to make these profiles depends largely on the type of alloy and/or finish used.
The instructions provided below describe the operations to be performed on the profile to restore it as much as possible to its original condition.
The purpose of this document is to provide as many general indications as possible to guide you on when and how to clean the product, but they should also be verified on a case-by-case basis.
It should be pointed out there are specific responsibilities in each part of the product's life cycle, starting from when it is installed the first time.
PVC- does not require special maintenance: it can be easily cleaned with colourless alcohol diluted in water or ordinary detergents.

Fire prevention measures

In the event of fire, use chemical fire extinguishers, dry sand or solid extinguishing agents.

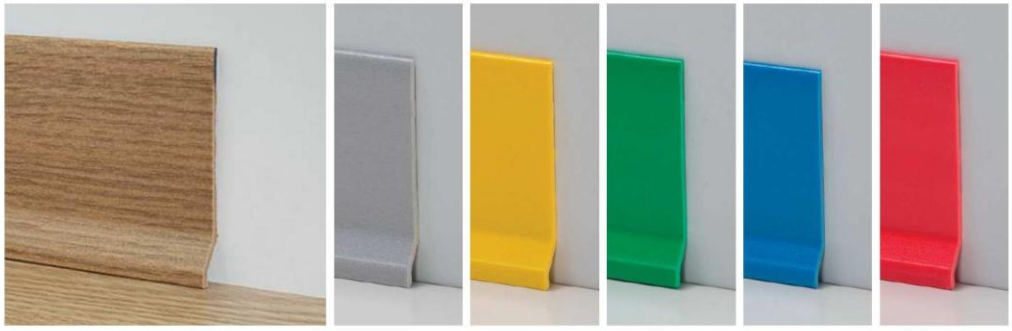

Notes:

These profiles must be handled with caution, being careful to wear suitable gloves to prevent injury and/or cuts to the hands.
